

Do you want to ensure that young people in Ottery St Mary continue to have a youth and community work project here in this area?

Do you want young people with social, education or employment needs in the local area to be able to access extra support from a professional youthworker?

Do you think that the Ottery area should have a project that is dedicated for Young People, working with them and encouraging faith conversations?

If your answer is Yes to any of these, then the Good news is that Ottery has such a Charity, called TheO6 and it is currently delivering youth work in the schools and on the streets of the town, and helping individual young people.

However:

The Not so good news, is that because Ottery St Mary is such a lovely place to live, with relatively low Crime, Unemployment, Health concerns (compared to other areas of Devon), then as a Youth Work project we are unlikely to be successful in accessing funding for this work from external sources, such as Children in Need or other national charitable trusts.

This is a real shame, as underneath the pleasantness of this area, there are young people, young adults whom we have met who are struggling with a range of challenges, and have limited support available to them, which may be afforded to them in other 'more deprived' areas. So although we have received some funding already locally, TheO6 is becoming increasingly aware that it will have to become supported and funded by local sources, including personal fundraising. *And so, in reality we need your help to keep this project going.*

There are three main ways in which you can help us to make TheO6 a long term sustainable project... These are overleaf:

There are three main ways in which you can help us to make TheO6 a long term sustainable project... These are overleaf:

Ways that you can help TheO6:

1. **TheO600 club.** We are setting the bar high. We would love it if 600 people from the local area, or even slightly further afield, could become regular financial donors to TheO6, giving anything from £1 to £100 per person per month, on a regular basis. In return we can send to you regular updates and keep you informed as to how your donations have benefitted young people locally. To help us towards our ambitious target, please contact Mac (Trustee) on Mac@theo6.org.uk (we would also love to claim gift aid back on your donation, Mac can give you these details)

2. **Can you do something to help?** www.theo6.org.uk

Can you run marathons, climb Everest, swim channels, have garage sales or coffee mornings? If you want to do any kind of feat or event to raise money for us, we would be highly appreciative, and could get involved or help to make it happen - Contact James—James@theo6.org.uk with your ideas or plans..

3. **Do you use the internet? Do you shop online— either regularly or just at Christmas?** Here's a new easy

way to raise money for THEO6 that does not involve parting with extra cash. Everyclick.com has launched a way to donate – it's been christened "Give as you Live". It means you can search the web, shop on line from your favourite retailers, trade on eBay and raise money for THEO6. You get great search results from Yahoo!, content from leading shopping providers and access to all eBay auctions. Every

search you make creates a donation for charity. Every weekly online shop could do too.

Our special address is <http://www.everyclick.com/theo6/ct54083>, all searches, shopping and eBay activity made from here will raise money for us. Make sure you sign up so you can track your giving – it updates every 3 minutes, you'll be amazed how quickly it adds up! Everyclick has already raised over £3,923,004.69 for a wide range of charities around the UK, and Everyclick was voted website of the Year 2008 and has been recognised as a top 100 media tech company 2009. Discover the new way to give to THEO6. Give as you Live. Please spread the word, and the link to friends and family so that for next to no inconvenience or cost, TheO6 can benefit.

All these details and others can be found on our website: www.theo6.org.uk.

Thank you for your support and financial donations in advance.
